#### **Commencement**

Meeting called to order 6:17 p.m. in the Meeting Room at the Irrigon Library.

The meeting was posted on the Irrigon Facebook page to attract new members and the public.

#### **Dolly Parton's Imagination Library Program**

Morrow County has been involved with the Dolly Parton Imagination program for approximately 7-8 years now. Kathy advises the State has set it up directly with the Imagination foundation and the Rippy Foundation will be replaced by United Way to assist with the funding. Through donations to the Dolly Parton program, Friends of the Irrigon Library manages those funds to cover the postage of the Morrow County program. Lamb Weston will make another donation of approximately \$5,000. in October to the Dolly Parton Foundation.

Kathy goes through a database every month to check to see if participants have moved out of the Morrow County area. Kathy sometimes tries to track down participants for those where notice is received of potential address change. Kathy is always searching for new participants through inquiries to the schools, libraries and daycare programs.

A huge shout out to Kathy Street for promoting the Morrow County Dolly Parton Imagination Library program!

#### **Scholarship Recipient Update**

Selene Roldan has now forwarded the necessary information from Treasure Valley Community College so a letter will be drafted and the scholarship monies to be forwarded by the end of next week.

#### **Fundraising**

Renate obtained information on the Booster Club; they do an event in March so we will keep our events in the Fall. We will request the library site be updated to reflect the FOIL Book and Bake Sale on October

18, 2024, and October 19, 2024, and the FOIL Book-Bake-Holiday Vendor-Raffle Event on November 14, **2025** and November 15, **2025**, on the library calendar.

We will go over the TRCI bakery order form during the next meeting and make a final decision on the bake sale goods for the October 2024 event.

We still need to contact the high school to secure a volunteer group (Key Club, Band, FFA or sports team) to assist with bringing books to the Library meeting room from ACH and from the Library meeting room back to ACH. Once we secure a group to assist, Renate can meet the group at ACH late afternoon 10/17/24 and we will be able to sort through the books to determine sale books and donation books. We also need to see if one of the high school groups will commit to quarterly, or perhaps alternating between groups quarterly, for book movement from the Library to ACH.

Renate has drafted a letter for donation requests which the group reviews. Renate also has a partial quote for t-shirts and totes from Farm City Screen Printing (they did the watermelon festival prints) but we need an estimate on product quality differences. Kathy said the Library District uses AJs for their printing needs, i.e., Summer reading program, and that AJs is very helpful.

Shirley reports the previous TV raffle was challenging and there was a lengthy period of time before obtaining a certain number of tickets sold prior to the actual raffle. Once the goal was finally met, the winner was drawn at the subsequent book sale.

Previously, Walmart was a regular donation sponsor but this past year this has changed, and Walmart did not give any donations to support the raffles at the Watermelon Festival. Kathy suggests using the Watermelon Festival to distribute books during the parade as people will be milling around closely.

#### **Friends of the Irrigon Library Community Display at the Library (“lifetime” membership)**

Discussion regarding the Lifetime Membership donation for Friends of the Irrigon Library. Kathy said there were “fish” sold for support of the Library but the list is rather short and is wondering if it was the complete list. The idea stalled when it was found that the cost of doing it was more than the donations received. Suggested that an art design with just a plaque may be the way to go. Kathy says about 15 people are currently on the list of donators. Discussion with regard to the cost of lifetime membership with multiple donation levels: Platinum, Gold, Bronze, First Edition, etc. Need to have further research and discussion as to what is anticipated for the number of memberships to be sold. Perhaps one large fish with names being engraved on the fish scales, different size scales to distinguish the donation amount.

Continued discussion regarding the movement of 26% of savings into a term CD with either Doug Barack, Bank of EO or HAPO. We will make inquiries to determine what is the minimum and maximum for a 501C non-profit.

#### **Friends of the Oregon Trail District possible transition from Friends of the Irrigon Library to Friends of the Morrow County Libraries**

Shirley said we are looking for members from the entire District; those residing in Boardman, Lone, Heppner could participate via Zoom for meetings and events could be held in different locations. Bill said there may be a few people in Heppner but their Friends of the Library group had previously disbanded as the remaining members are now elderly. Discussion as to what needs to be sent out to potential new members, i.e. what is the vision and purpose of FOIL; are we just seeking assistance with events?

Recruiting is always challenging and Bill notes that promotion of Irrigon Friends to other groups would be hard and all agree that a name change would have to occur. Would a name change also require a 501C change? Boardman and Heppner have not been bringing books to Irrigon as there are very few book excesses in the other library locations. The author event may be a means to attract new members and perhaps The Loop could assist with transportation.

### **Future Library Expansions**

Kathy shares that the architect should be providing plans for larger libraries in Boardman and Heppner in the very near future. The site study for the Master Facility Plans will take about 9 months for plan receipt.

### **Next Meeting**

**Wednesday, September 25, 2024, at 6:30 p.m. in the Meeting Room at the Irrigon Library.**

### **Conclusion**

This meeting concluded at 6:53 p.m.
