YOUTH COMMUNITY PROGRAM

DAY PROGRAM FOR AGES 15-19

Youth Community Program is a non-residential, day program for 15 to 19 year olds. With the experience of field staff guiding them, participants complete service projects in their own community each day and return home at night. Crews meet at a designated site every morning and evening, Monday through Friday. Members spend an average of 6 hours per day working and one hour participating in an educational lesson, from which they earn high school credit and a \$325/week stipend. During these 5-week sessions, participants learn new skills, challenge themselves, make new friends, and better their communities!

YOUTH CAMPING PROGRAM

RESIDENTIAL CAMPING PROGRAM FOR AGES 16-19

Youth Camping programs combine education and job skill training with outdoor adventure for 16 to 19 year olds. With the guidance of experienced field staff, youth crew members work on conservation, reforestation, and recreation projects, while developing leadership skills and learning how to work as a team. Crews camp in the field for their entire 5-6 week session, traveling to a new project each week and recreating on the weekends. In addition to earning a \$350/week stipend and high school credit, participants make new friends, learn new skills, explore the Northwest's wildest places, challenge themselves, and have an awesome summer!
